## Rules & Regulations

### 1. Match Format

Each match will consist of the first player to reach 10 games with a short deuce.

### 2. Player Challenges

Players can challenge others ranked 5 positions above them on the ladder. For example, the number 6 player can challenge numbers 1, 2, 3, 4, or 5. Number 20 can challenge players ranked 15, 16, 17, 18, or 19.

### 3. Challenge Outcomes

### 4. New Balls Requirement

Each player must bring one can of new tennis balls. The loser of the match keeps the used balls. Balls will be provided at DDFTS.

### 5. Match Locations

Matches can be played anywhere in the city at the players' convenience. Courts will be made available at CFTennis venues for 100 Dhs per hour.

### 6. Reporting Scores

Players should report the match scores only in the group. We will update the ladder accordingly.

### 7. No Entry Fee

There is no entry fee for this ladder; it is free for all.

### 8. Resolution of Disputes

In the event of a dispute over a call, please play the point again if an agreement cannot be reached.
